Hossam Bahgat, Investigative Journalist  
Mada Masr Online Journal  
Cairo, Egypt

Mr. Bahgat,

We read with utter respect the NY Times article of your awe-inspiring courage to stand up and report truth. You fought for the civil rights of others without regard of consequence, how remarkable.

The Samuel Lawrence Foundation recognizes your devotion to liberty. Your willingness and refusal to fall prey to the intimidation tactics is now public. Thank you for all you do. We stand with you.

Sincerely,

Bart Ziegler PhD, President
