Dear Daniel,

Your incredibly bold and pertinent ruling against Shell in Britain brought light upon a pressing issue in the age of climate change. People like you hold large and powerful multinational companies accountable and provide a voice to impoverished communities.

Our nonprofit public charitable corporation is formidable in climate change and is currently working on reaching 100% renewable energy in Puerto Rico. In recognition of your revolutionary efforts, kindly accept the Samuel Lawrence Foundation Prize.

Best,

Bart Ziegler, President  
Samuel Lawrence Foundation
