Patricia Sieglen-Perry, Executive Director
Deaf Community Services of San Diego

Dear Patricia,

What a privilege it is to award to DCSSD \$1,000 towards your October 8th event that you have planned over the past year. As soon as we receive information emails from you about your event we welcome sharing your fantastic work with the San Diego dance community.

More folks in town can then benefit from the wonderful community you serve abundantly well.

Kind Regards,

Bart Ziegler, President
