Alan Bean
Friends of Justice

Dear Alan Bean and Friends of Justice,

We thank you for your untiring advocacy for the innocence of Curtis Flowers. We admire your dedication to helping Curtis receive justice in a racially charged system, and we hope that recent appeals for re-trial will bring solace to his family.

Upon hearing about the six mistrials and fifteen years in prison that Curtis Flowers has endured in the hands of a broken system, we wanted to show Curtis our support. We would appreciate if you could ensure the Flowers family receives the enclosed donation, an expression of solidarity from SLF.

Again, thank you for spreading awareness of this story and for the excellent work you are doing on behalf of individuals and their families who have endured atrocious systemic injustice.

Respectfully,

Bart Ziegler, PhD
