Dear Ms. Isela Gonzalez,

We are in reverence of your continuous, unrelenting advocacy and actions supporting indigenous rights in the Sierra Madre region. Your civic activism and steadfast beliefs, despite the risks and dangers you face in everyday life, truly astounds us. Your national dedication to the environment and the indigenous community ignited a flame that has spread and will continue to spread, with you leading the way.

Our foundation is proud to grant a Samuel Lawrence Foundation award for activism to Isela. Please accept our modest award of \$100 for your altruistic efforts of expanding human rights to include all Mexican citizens.
