Dr. Kate Spradley
Texas State University

Dear Dr. Kate Spradley,

We are heartened by your incredible efforts and diligent work to exhume migrant near Falfurrias. Your intense, relentless desire to solve these tragic mysteries of unknown migrants gives hope to dismantle a system of narrow-mindedness. Your efforts as a biological anthropologist will have ripple effects for generations watching as immigration and the benefits of migrant workers come into the light.

Our foundation is proud to grant a Samuel Lawrence Foundation award for righteousness to Dr. Kate Spradley. Please accept our modest award of \$100 for your exemplary efforts. The case has captured our attention in California and we share our support and encouragement with you.

Kind Regards,

Bart Ziegler PhD, President
