Attorney Sarah Saldaña, Northern District of Texas
Executive Office for United States Attorneys
United States Department of Justice

re: commendation

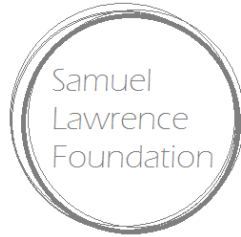

Attorney Saldaña,

International accountability has long been extinct. General Casanova's prosecution shall restore liability and justice to nation's international policy.

Sincerely,

Casey Collins, Assistant Director

RE: letter of commendation

Ms. Blum,

Your advocacy for 'command responsibility' is seminal. Justice often slips through the cracks of time or prestige. The prosecution of General Carlos Casanova shall provoke crucial reform.

Sincere regards,

Casey Collins, Assistant Director
