Reverend Gerald Toussaint  
Greater Union Baptist Church

Dear Rev. Gerald Toussaint,

Our hearts go out to your church and fellow community members with regards to the recent fire. With sincere empathy, we would like to donate \$100 from the Samuel Lawrence Foundation, a modest nonprofit located in San Diego California, in hopes that this small amount will help the efforts to rebuild not only the church, but also the hope and morale of the people who were affected.

Your strength and faith will provide hope to everyone watching. The church's ability to remain connected to God, despite the tragedy inspires others. As more people unite, the more we hope your community feels loved and supported.

"Out of a mountain of despair, a stone of hope." – Dr. Martin Luther King

Kind Regards,
