In Trust for the Legal Defense of Steven Donziger

Dear Mr. Donziger,

We are in reverence of your continuous, unrelenting fight for environmental justice in indigenous regions of the Amazon. Your legal activism and steadfast beliefs, despite the overt risks and dangers you face in everyday life, truly astounds us. Your dedication to the environment and the indigenous community ignited a flame that has spread and will continue to spread, with you leading the way.

Our foundation is proud to grant a Samuel Lawrence Foundation award for justice to Steven Donziger. Please accept our modest award of \$100 for your altruistic efforts of demanding environmental justice in the local communities in Ecuador. Your determination captured our attention in California and we share our support and encouragement with you.

Kind Regards,
